Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Examiner called Mr. Clifton Mueller (Reg.# 57836) on June 8, 2007 to find out if there is any amendment filed to the outstanding office action mailed on October 5, 2006. Mr. Mueller said that there is no amendment filed so far but they are working on it. However, since there is no amendment so far and the time has been elapsed to buy extension (more than eight month since the office action was mailed), the case is abandoned. Mr. Mueller said that he is going to file petition to revive the case. .
